

FORM WHOLESALE TERMINATION AGREEMENT

(VT_NETTAX_V1.1)

THIS AGREEMENT relates to the Project ("Project") formed between two customers of Vertecto Services, LLC ("Vertecto") on the Transaction Protection System ("TPS") operated by Vertecto Services, LLC ("Vertecto"). This Agreement is effective as of the date (the "Effective Date") that the Invitation related to the Project was accepted. This Agreement is by and between the SELLER designated in the Project ("SELLER") and the BUYER designated in the Project ("BUYER").

WHEREAS

- a) SELLER or BUYER has delivered an offer to the other in the form of an Invitation on the TPS and the other party has accepted the Invitation (as the Invitation may have been amended);
- b) BUYER has thereby agreed to purchase and SELLER has agreed to sell certain telecommunication services or products (the "Services") at those prices and on those terms as are more particularly set forth in the Project;
- c) BUYER and SELLER have each agreed with Vertecto to certain terms and conditions relating to the use of the TPS, which terms provide, in part, that the terms and conditions set forth in this Agreement shall control the Project and the relationship between the Parties if and to the extent that the Parties (i) have specifically agreed to use this form of Agreement, or (ii) have failed to specifically and jointly provide or designate another form of agreement and this Agreement is the default agreement on the TPS, or (iii) have failed to include one or more terms or conditions necessary for the completion of the Project or the resolution of issues relating to the Project.

NOW THEREFORE, in consideration of the mutual promises made in the Project Terms, this Agreement and the Vertecto Documents, and for other good and valuable consideration, the parties are hereby deemed to agree as follows:

All capitalized terms which are not otherwise defined in this Agreement shall have the meanings contained in Appendix A. Capitalized terms which are not defined in this Agreement shall have the meanings contained in the TPS and the Vertecto Documents.

2 SERVICES.

- (a) BUYER agrees to purchase and SELLER agrees to provide or cause the Services to be provided in accordance with the Project Terms and this Agreement.
- (b) BUYER shall be responsible for connecting to SELLER's facilities at BUYER's expense.
- (c) All Services not used directly by BUYER are provided for resale to end users, customers and subscribers under BUYER'S own tariff and or rate and service schedules and shall be branded in BUYER'S name.
- (d) BUYER acknowledges and agrees that the Services shall be offered by SELLER pursuant to this Agreement subject to (i) any applicable tariffs; (ii) compliance with all applicable laws and regulations; (iii) obtaining any domestic or foreign approvals and authorizations required or advisable; (iv) continued availability of each Service in all applicable jurisdictions, countries and locations; and (v) continued availability and quality of access lines and routes in all applicable jurisdictions, countries and locations. BUYER acknowledges and agrees that SELLER may elect not to offer the Services in or to any particular jurisdiction, location or country, or may block Services to or from any particular jurisdiction, location or country if SELLER determines, in its sole discretion, that the continuation of such Service is not permitted or advisable. Further, SELLER's provision of the Services to BUYER and the availability of the associated pricing as set forth herein is subject to availability of required BUYER facilities.

3 TERM.

- (a) Except as otherwise provided in the Project Terms, this Agreement shall be effective as of the Effective Date and shall continue for twelve (12) months (the "Initial Term"). After the expiration of the Initial Term, this Agreement will continue on successive one (1) month terms (each a "Renewal Term") unless terminated by either Party by written notice no less than thirty (30) calendar days prior to the beginning of such Renewal Term (the Initial Term and all Renewal Terms shall be collectively referred to as the "Term").

4 REVENUE, PROVISION AND UTILIZATION REQUIREMENTS.

Unless specifically set forth in the Project Terms, (a) BUYER is not obligated to meet any minimum use requirements and (b) SELLER is not obligated to provide Services in excess of the quantity or scope contemplated by the Project Terms and the amount of any escrow or prepayment.

5 RATES/BILLING INCREMENTS.

- (a) During the term of this Agreement, SELLER shall charge and BUYER shall pay for the Services in accordance with this Agreement and the Project Terms, as amended from time to time. Unless the Project Terms provide otherwise, the rates and charges do not include Taxes, installation charges, governmental surcharges, access related charges, CPE or any other incidental or other charges, which are the responsibility of BUYER.
- (b) SELLER shall have the right to modify the rates contained in the Project Terms upon prior written notice to BUYER of at least ten (10) business days in the case of USA domestic traffic and at least five (5) business days for international traffic. Notices under this section shall be delivered using the email message system which forms a part of the TPS. In the event BUYER continues to use or consume the modified Services after the effective date of the notice, BUYER will be deemed to have accepted SELLER's modifications.
- (c) BUYER shall promptly assure that the Net Free Funds in its V-Account are sufficient to meet any prepayment or deposit requirements in the Project Terms.
- (d) Unless otherwise set forth in the Project Terms, all call traffic terminating in the USA and Canada shall be billed with an initial 6-seconds minimum increment, followed by 6-second additional increments (i.e. a minimum call length 6 seconds with all additional usage rounded up to the nearest 6-seconds increment). Call traffic which terminates outside of the USA or Canada shall be billed with an initial 1-second minimum increment, followed by 1-second additional increments (i.e. a minimum call length of 1 second with all additional usage rounded up to the nearest 1-second increment). The sole exception to this billing arrangement shall be traffic terminating in Mexico, which shall be billed in full-minute increments (i.e. minimum call length of 60 seconds with additional usage rounded up to the nearest full minute).

6 TAXES, FEES, AND OTHER GOVERNMENTAL IMPOSITIONS.

- (a) Each Party acknowledges and agrees that the rates and charges for the Services provided hereunder do not include Taxes which are additional and the sole obligation of the BUYER (whether Taxes are assessed by a governmental authority directly upon SELLER or the BUYER). Taxes shall be separately set forth on each invoice and shall be paid by the BUYER at the same time as all other charges set forth in the invoice. If the BUYER believes that it should be exempt from the application and collection of certain Taxes, it shall provide SELLER with an appropriately completed and valid Tax exemption certificate or other evidence reasonably acceptable to SELLER that neither SELLER nor the BUYER is subject to such Taxes. SELLER shall not be required to issue any exemption, credit or refund of any Tax payment for usage prior to the BUYER's submission of such acceptable Tax exemption evidence. BUYER shall protect, indemnify and hold SELLER harmless from and against any Taxes imposed by any governmental authority with respect to the Services furnished pursuant to this Agreement, including any interest and/or penalties related thereto.

- (b) All payments due hereunder shall be made free and clear without deduction or withholding for any and all present and future Taxes.
- (c) Each Party shall be solely responsible for all taxes on its own business, the measure of which is its own net income or net worth and shall be responsible for any related tax filings, payment, protest, audit and litigation. Each Party shall be solely responsible for the billing, collection and proper remittance of all applicable Taxes relating to its own Services provided to its own customers.
- (d) In the event a Tax is assessed against SELLER that is solely the responsibility of BUYER and BUYER desires to protest assessment, BUYER shall submit to SELLER a statement of the issues and arguments requesting that SELLER grant BUYER the authority to prosecute the protest in SELLER's name at BUYER's expense.
- (e) In the event a Tax which is the responsibility of BUYER pursuant to this Agreement is assessed against SELLER as part of a larger assessment against SELLER (a "Common Imposition"), SELLER shall give BUYER written notice of the assessment. BUYER shall timely respond to SELLER as to whether it desires to protest such assessment. All joint protests shall be financed in proportion to each Party's respective share of the protested amount, and any reduction in the Common Imposition shall be shared in the same ratio. All protests of Common Impositions shall be controlled and managed by SELLER .

7 CHARGES, SECURITY, AND PAYMENT TERMS.

- (a) During the term of this agreement, SELLER will furnish BUYER with an invoice and call detail records ("CDRs") in electronic format for any Service provided for the previous billing cycle, as defined in the Project Terms. Each invoice and related call detail records shall be delivered using the TPS invoicing system. The CDRs will be in comma-delimited text format or another mutually agreed upon format. The SELLER may also send a copy of the invoice to the BUYER via additional means. In each case, the invoice shall be delivered within that number of days after the close of the Billing Cycle as is provided in the Project Terms
- (b) SELLER reserves the right to cease providing Services when the amount of any prepayments or deposits maintained in the TPS, less any fees, expenses, charges and other obligations imposed or imposed by Vertecto by Seller, is equal to or less than zero. SELLER may thereafter, at its option, impose greater or lesser prepayment, escrow or deposit obligations on BUYER.
- (c) In the event the BUYER incurs fees or other obligations to the SELLER in excess of the amounts payable from the funds held by Vertecto in respect of the Project (after deduction of Vertecto Obligations), BUYER shall promptly deposit an amount of funds equal to the full amount of the shortfall into its V-Account (in the currency designated in the Project Terms and without regard to the existence of any Dispute) and shall designate the funds to the Project. In no event shall the deposit of the shortfall occur later than the Business Day immediately following the effective delivery of the Invoice.
- (d) All amounts which are not disputed in accordance with the terms of this Agreement and Vertecto's then current agreements and rules and which are not paid in full before the close of business on the Business Day immediately following the delivery of the Invoice will be considered past due and subject to an interest charge commencing from the date of the Invoice at the lesser rate of one and one-half percent (1.5%) per month or the maximum rate allowable by the laws of the State of Delaware and the United States of America. If BUYER disputes all or any portion of any invoice and the dispute is determined not to be a Bona Fide Dispute as defined herein, the disputed amount shall likewise be considered past due and subject to an interest charge commencing from the date of the Invoice at the lesser rate of one and one-half percent (1.5%) per month or the maximum rate allowable by the laws of the State of Delaware and the United States of America.
- (e) SELLER and BUYER each acknowledge Vertecto's prior lien and right of setoff against escrowed funds to the extent of Vertecto Obligations.

8 BILLING DISPUTES.

- (a) All Bona Fide Disputes shall be initiated by BUYER on the TPS within five (5) business days following the delivery of the disputed invoice. Each invoice not disputed within five business days of the deemed delivery of the invoice shall be deemed to be accepted absent manifest error. All invoices are deemed final upon delivery subject to: (i) all taxes, (ii) obligations which this Agreement contemplates may be retroactively applied and (iii) manifest error. Unless otherwise provided in the Project Terms, the undisputed portion of each Invoice shall be immediately released to the BUYER in accordance with the terms of the TPS. BUYER shall provide Seller with Complete Documentation relating to each dispute within fifteen (15) business days of the disputed invoice being sent by SELLER. All notices and Complete Documentation of a Bona Fide Dispute under this Section must be sent to SELLER by BUYER using the TPS email message system. An amount will not be considered "in dispute" if BUYER fails to provide Complete Documentation in the manner and within the time period provided in this section. The Parties will promptly address and attempt to resolve each dispute. SELLER, in its discretion exercised in good faith, may request additional supporting documentation. SELLER shall accept or reject Customer's claim within fifteen days of receipt of the Complete Documentation. If the Parties resolve the dispute, they shall each notify Vertecto by email at support@vertecto.com. If SELLER rejects a Bona Fide Dispute, SELLER will so notify BUYER and Vertecto using the TPS email messaging system. BUYER may accept SELLER's determination or may seek arbitration in accordance with the terms of this Agreement. In the event call detail records in respect of the Project have been recorded on switching equipment maintained or otherwise provided by Vertecto or another third party agreed upon by the parties, the Vertecto or third party call detail records, as the case may be, shall, subject solely to adjustment for the billing increments and pricing contained in the Project Terms, be the definitive call records for all purposes, including without limitation all dispute resolutions, mediations, arbitrations and legal proceedings.
- (b) A claim of fraudulent usage shall not constitute a Bona Fide Dispute. BUYER is solely responsible for paying for all actual service use, allegedly fraudulent or otherwise, and for all other charges, which may be associated with such usage.

9 TERMINATION AND MODIFICATION RIGHTS.

- (a) Either party may terminate this Agreement after five (5) business days notice if the other Party is or becomes Insolvent; or immediately for Cause. If either party's performance of this agreement is prevented, restricted, or interfered by a Force Majeure Event, then that party shall be excused from such performance on a day-to-day basis to the extent of such prevention, restriction, change, or interference until the cessation of such Force Majeure Event.
